THE VETERINARY RECORD

Index to Subjects : January to December, 1949

PAGE

A welcome "reversion to type" 392
Abortion, bovine: Infertility and S.19 vaccine—R. F. Montgomerie, President, N.V.M.A., replies to complaints in the farming Press 151
—— —— —— ——: J. W. Bruford (President-Elect) ... 272
—— ——: Department's vaccination scheme adopted by Co. Dublin 667
Abortus, Brucella chemotherapy: I.—Studies of the effect of para-amino-benzoic acid on Brucella *in vitro*; II.—Para-amino-benzoic acid in the treatment of experimental Brucellosis in guinea-pigs (Cotton, C. M., & Swope, R. E.) [Abs.] 192
—— —— infection titres, Differentiation of cattle with, and cattle vaccinated with *Br. abortus* Strain 19 (Venzke, W. G.) [Abs.] 192
—— ——, strain 19 and strain 45/20, The stability of the avirulent characters of in lactating and pregnant cows, A. Wilson Taylor and A. McDiarmid ... 317
—— ——: The ring test in (Bruhn, P.) [Abs.] 539
—— —— vaccine, S.19, A comparison of the immunising value in cattle of dead antigens and, A. McDiarmid 305
—— —— —— —— and infertility, J. F. D. Tutt 316
—— —— —— ——, Experimental investigation of calfhood vaccination with (Campbell, A. D., & Rodwell, A. W.) [Abs.] 831
Abscesses, A new technique in the treatment of (Emmerson, J.) [Abs.] 616
Academic salaries in medical and dental schools 170
Acetonaemia, Disturbances in rumen digestion as a predisposing factor to the appearance of (Hoflund, S., & Hedstrom, H.) 730
Actinomycosis, generalised, Report on two cases of, involving the pleura and peritoneum (O'Donovan, S.) [Abs.] 353
—— in a Labrador bitch, H. Forsyth 586
Actinobacillosis of the bovine digestive tract, Suspected, E. P. Barrett 88
Africa, Overstocking in (Contributed) 113
African game, The future of 385
Agene puzzle, The (*The Lancet*) 44
Agricultural Advisers to the U.K. High Commissioners in Australia and New Zealand 20
—— Advisory Service, National 191
—— Improvement Council for England and Wales ... 354
—— Research Council: Appointment of Dr. W. K. Slater as Secretary 162
Changes in personnel 668
Agriculture, Association of 860
——, Investment in 162
——, Mechanisation of 733
——: MINISTRY OF (economics) 766
—— —— —— News Service items 345
—— (Miscellaneous Provisions) Bill 34, 90
Air-borne infection, Experimental (Theo. Rosebury) [Rev.] 586
—— infections [Annot.] R. E. G. 587
Alabama, Curriculum for admission to the veterinary course at 203
Alfort Veterinary School Congress 209
Allergy and anti-histamine therapy in veterinary practice (Rawson, G. W.) [Abs.] 867
Amino-acid therapy in canine practice, An experimental basis for (Siegmund, O. H., & Morrison, E. J.) [Abs.] 505
Anasarca as a cause of dystokia in the bitch, Pamela Curwen 572
Anaesthesia, general, in the cat, W. Henderson 769
——, paravertebral, Some observations on the technique of, Peter G. P. Brain 88
——: The use of B. naphthoxyethanol ("Anavenol") in practice, John Berger 814
Anaesthetic for use in the horse, β-naphthoxyethanol: A new, John Francis and H. B. Parry 509
Animal carcases, Disposal of, G. C. Brander 36
A. Ginsberg 36, 760
Alex. A. Kidd 36
A. N. Worden 22

PAGE

Animal Diseases Research Association: Activities reviewed by Dr. Russell Greig 507
—— —— —— ——: Legacy for "J. P. Walker Memorial Fund" 802
——health conference in Australia, British delegation to, John C. Grant 734
—— HEALTH TRUST, THE
Appeal to Breed Societies 20
Appointments (*see* under "Personal")
Children's competition 618
County Organisers 20
Evans' Final year studentships 577
Formation of Executive Committee for Norfolk: Sir Cleveland Fyfe's appeal to farmers 548
Hospital Centres 83
Luncheon: Minister of Agriculture's speech in support ... 839
Mobile caravan 342
N.G.R.C's. further £10,000 for canine research 5
Poultry research station 767
Progress report on work at research stations 448
Research scholarship awards 120, 576
Second studsmen's course 120
Visit of the Central Veterinary Society to Research Stations at Newmarket 537
—— husbandry lectureships, John C. Grant 592
Paul Crosfield 606
P. D. G. Bowen 844
—— ——, Fifth International Congress of 603, 731
Animals, Baiting of (Second Reading of Bill to prohibit) 133
——, Behaviour in, D. J. Anthony 806
——, cruelty to, Committee of Enquiry into the laws affecting 152, 158
——, domestic, Morbidity and mortality statistics of ... 92
—— Bill, Pet: Provisions of the 102
[Edit.] 163
Second Reading (Commons) 166
——, laboratory, Bureau of 886
—— ——, Care and management of 433
——, Protection of (Hunting and Coursing Prohibition) Bill: Rejection on Second Reading [Debate in the Commons] 117
——, slaughter of, Humane (Debate in the Lords) ... 102
—— ——, "Humane" killing and Muslim method of, Aftabud Din Ahmad 140
——, The transport of 341
——, wild, cruelty to: Committee of enquiry ... 312, 409
Anthrax warning, An 554
Antitoxins, Commemoration of discovery of 170
Antrycide: New I.C.I. compound effective against trypanosomiasis 15, 155
Question in Parliament 68
—— treatment of *T. congolense*—*T. vivax* relapses and re-infections, S. G. Wilson 395
—— —— —— *T. Simiae infections*, S. G. Wilson ... 379
Are females born co-twin with males sterile? 93
Arsenic and strychnine, residual, in the tissues of drug-treated cattle (Ham, W. E., Kline, E. A., & Ensminger, M. E.) [Abs.] 458
Association of Veterinary Students: Annual Easter Conference, G. Learn 158
Annual Conference at Liverpool 208
Attested Herds Scheme (*see* Tuberculosis, Attested Herds Scheme)
Australia Fauna of 311
——, Shortage of Veterinary Surgeons in 20
Austria, Federal Institute for the Control of Animal Diseases in 431
Avian pneumoencephalitis virus (Newcastle disease), Preliminary report on the propagation of *in vitro* (Banowski, R. A., & Boynton, W. H.) [Abs.] 89
B.C.G. vaccine: Ministry sanctions limited use of 564
B.R.X. Club, The 182
Bacteria, acid fast, Differentiation of by means of serological tests (Wessels, C. G.) [Abs.] 368

854170

PAGE

Bacteriological sections and films, T. Singh 158
Barium chloride, Use of intravenously in the horse, Lindsay Auchterlonie 53
Barrister, To become a 92
Baxter, Sir Thomas, N.F.U. dinner to 314
Biochemical aids to diagnosis—Discussion by the Central Veterinary Society:
Opening contributions: A. B. Orr 496
D. G. Harvey 498
General discussion 500
Biochemistry, International Congress of 132
Bitch's "ladder complex," A, M. Bridgeman 578
Black disease, Studies in, II—The value of *Cl. oedematiens* toxoid and anaculture together with carbon tetrachloride therapy in the control of the disease, S. Jamieson and A. Thomson 399
Blackleg vaccine, The efficiency of 818
Black-quarter C. W. Cartwright 743
Bloat in ruminants, A new approach to the treatment of (Quin, A. H., Austin, J. A., & Ratcliff, K.) [Abs.] ... 855
Blood chemical examination, Specimens for, L. B. O'Moore 670
—— transfusion in animals: its theory and practice (Central Veterinary Society discussion):
Openers: J. W. H. Holmes ... .551
H. H. Holman 552
General discussion 554
—— —— in practice, J. Cassells 578
J. W. Rainey 770
—— transfusions, direct, in large animals, Technique of (Coffey, W. M.) [Abs.] 341
"Blue nose" disease in the horse, G. N. Sutherland ... 89
H. G. Lamont ... 107
R. Muir 139
"Bottle mentality," The 743
"Bracken staggers" in the bovine, The treatment of with vitamin B_1, K. L. Vaughan 693
L. B. O'Moore 768
—— —— in the horse, The production of and its treatment by vitamin B_1 therapy, H. E. Roberts, E. T. Rees Evans and W. Charles Evans 549
Breeding, Contributions that it can make to preventive medicine (Discussion, Central Veterinary Society):
Openers: A. C. Fraser 97
Fred. T. Day 99
General discussion 100
——, whelping and rearing, Some observations on, J. S. A. Spreull 579
British Association Meeting, The 563, 574
——Friesian's world record 856
—— Medical Association: Formation of Guild for collective action in disputes 195
Brown mouth syndrome in dogs, A, Marion J. Freak ... 190
Brucella infection, Vaccination of bovines against by the inoculation of an avirulent strain and a gluco-lipoid antigen (Lisbonne, M., Roman, G., & Quatrefages, H.) [Abs.] 686
Brucella suis, Studies on the pathogenicity of for cattle: I. (Washko, F. V. Hutchings, L. M., & Donham, C. R.) [Abs.] 353
Brucellosis in industry (Jordan, C. F.) [Abs.] 310
Brucellosis tests, intradermal, A new antigenic allergic agent for (Ottoson, H. E., & Plum, N.) [Abs.] 245
Bruford, Mr. John William [Biog.] 629
—— ——: Election as President of the National Veterinary Medical Association, 1949-50 624
Bull licensing in Scotland 843
Caesarean section, Can cows become pregnant again after? W. Laue 545
—— —— in the cow, Pregnancy following, Sidney S. Nye 883
Calves, Transport of (Commons' discussion) 460
——, young, Sale of: New procedure at collecting centres 57
Cambridge estate for research 182
—— School of Veterinary Medicine 393
Camel, The inferior buccal gland in the, Abd-el-Hamid Hegazi 10
Campbell, Mr. Duncan S., Death of 271
An appreciation, E. R. C. 271
A further appreciation, E. R. C. (Shrewsbury) 300
The funeral 344
Canadian Veterinary Medical Association, The 614
Cane, Mr. John: A great games player—Death of [Obit.] 547
Caponisation, Chemical, W. P. Blount 538

PAGE

Carcases, animal, Disposal of, H. Norman Bateman ... 60
F. H. Manley 72
Alfred Cooper 84
Carcinoma, squamous cell, of the eye of the horse, subsequently involving the maxillary sinus, J. W. Burgess ... 285
Case book, From my, J. W. Knowles 421
—— visitation *versus* treatment at surgery, Olwen Gwynne-Jones 750
E. Reginald Ambrose 790
Cattle disease control, Republic of Ireland's Minister for Agriculture on 315
—— on hill farms in the Highlands and Islands, A. Hart 374
Cerebellar atrophy, cortical, An inherited form of in "daft" lambs in Great Britain, J. R. M. Innes, W. T. Rowlands and H. B. Parry 225
C. pyogenes infection in cattle with special reference to summer mastitis, Bernard Weitz 123
Choledocho-duodenal junction in the horse, Speculations concerning the significance of the, and its relationship to the absence of a gall bladder, H. D. Mills 418
Cinema contact facility, S. S. Nye 84
L. R. Geffen 94
Civil Servants, higher, postponement of salary increases for 666
Clarke, Mr. Maurice Harvey, Death of 120
A Tribute, W. A. S. S. 136
Coal Board, National: Appointment of Divisional Veterinary Surgeon for the Northern Division of the ... 7
—— Mines (Protection of Animals) Bill 152
COLLEGES (VETERINARY):
Glasgow:
Incorporation into the University ... 392, 605, 802
"Farewell" luncheon on transfer 665
Mr. W. L. Weipers appointed Director of Veterinary Studies 392
Unveiling of memorial plaque 767
London:
Appointment of Professor C. A. Lovatt Evans as Chairman of Executive Council 731
Athletic Club sports day 362
Students' Union Society Annual Ball 60
Coccidiosis, caecal, in chickens, The efficacy of methyl bromide as a fumigant for the prevention of (Boney, W. A.) [Abs.] 80
Colic, equine, Observations on the treatment of, Paul Crosfield 610
"Coliform," Use of the term 222
Collection of accurate data on the incidence of disease 614, 802
—— —— sheep blood by intracardial puncture (Lenderstruth, R. W., & Ward, B. O.) [Abs.] 164
Colonial Veterinary Service 872
—— —— —— appointments (*see* under "Personal")
Conditioned reflexes, Pavlov's work on 585
Conditions of employment of young graduates, R. W. M. Gover 22
G. Leam 46
Audrey G. Rogers 538
(For further correspondence on this subject *see* Index to Supplement)
Home Appointments Committee notice ... 251
Corynebacterium renale, Pathogenicity of for rabbits (Feenstra, E. S., Thorp, F., & Gray, M. L.) [Abs.] ... 287
Courtesy, A matter of, "Perplexus" 820
Crawford, Mr. William, Death of 710
An appreciation, Arthur H. Watson 747
Cropping of the ears of Boxers condemned 232
C. Erskine Woodrow 316
Crowhurst, Mr. Cecil, Death of 106
[Obit.] 120
Cruelty to animals in North Africa, Hamilton Kirk ... 852
"Cyst beef," Bootle butchers refuse 604
Czechoslovakia, Student and teacher holiday grants for ... 209
Dairy cattle: Scheme for the control of the major diseases of—Quarterly statements of undertakings notified 44, 209, 432, 732
—— —— ——, A. J. Kennedy 770
G. C. Lancaster 770
—— cows, Investigations on serum phosphatase in, during hypomagnesaemia (Halse, K.) [Abs.] 539
—— herd, The Veterinary Surgeon and the: Discussion on Mr. Geo. N. Gould's paper to the Farmers' Club ... 16
—— products, Veterinary factor in increase of New Zealand's, C. S. M. Hopkirk 303

PAGE
Dairy Show, The 732
Data and records in relation to disease control [Edit.] ... 616
—— on the incidence of disease, Collection of accurate 614, 802
Deafness following coal gas poisoning in small animals, Norman Comben 128
Derbyshire Division, N.V.M.A.: Change of name to East Midlands Division 69
Devaluation reactions 692
Diagnosis, laboratory, Some notes on specimens for, J. W. Emslie and M. A. Soltys 596
Diarrhoea in young kittens, Treatment of, Marion Stewart 820
Diphtheria, calf, Outbreak of controlled with sulphamezathine (Hayes, A. F., & Wright, G. M.) [Abs.] 816
H. Norman Bateman 844
Dishorning cattle, A complication arising from, C. B. Hart 218
—— of cattle: Amendment of the Animals (Anaesthetics) Act, 1919 34
—— —— —— by means of rubber bands 82
Edward Wilkinson 21
Dislocation of the corono-pedal joint in the horse, K. C. Peters 229
Distemper and hard pad disease in dogs (Central Veterinary Society discussion) 175
A. V. Clarke 210
—— anti-vaccination, Recent experiences in post-inoculation behaviour in the greyhound, following the use of Field Methods, J. K. Bateman 278
—— in dogs: *Times* editorial and subsequent correspondence 70
—— immunisation: The "vaccine-plus virus" method, R. Daubney 434
—— infection, The relation of to the aetiology of canine encephalopathics, J. R. M. Innes 73
—— viruses, Immunological relationship of hard pad and, F. G. Greer 163
Distribution of restricted products 232
Docking and Nicking of Horses Bill: Debate on Second Reading 132
Remaining stages 429
Doctors employed by local authorities: B.M.A. advertisement ban proposal 43
Doping of racehorses (Question in Parliament) 871
Douglas Major Alexander, Death of 15
[Obit.] 15
A Further Tribute, W. N. 34
Drug addiction in Britain 653
"Drugs and the dollar drought" 444
——, Broadcast warnings of lost 170
Duncan's Horses: Royal Veterinary College statement on the Adrian Jones' group and fund 220
Dysentery in dogs, Spirochaetes associated with (Craige, J. E.) [Abs.] 265
Dystokia in the bitch, Anasarca as a cause of, Pamela Curwen 572
East Africa, Research in 668
Eczema, Canine (Scharf, A., & Slanetz, C.) [Abs.] ... 867
Edinburgh, City of: Post of Assistant Veterinary Inspector 56

Editorials:
Artificial insemination 475
Control of trypanosomiasis in Africa 203
Data and records in relation to disease control 616
International Veterinary Congress, The XIVth 385, 402, 497, 520
London Congress, The 627
Parasitology: Research and propaganda 244
Pet Animals Bill, The 163
Report of the Joint B.M.A.-N.V.M.A. Committee (*re* provision of safe milk of high quality) 829
Salmonellosis in cattle 113
Supplementary Veterinary Register, The 283
Treatment of fractures 799
Tuberculosis eradication: An alarming development ... 765
Eggs, Detection of haemagglutination-inhibition antibodies in unincubated (Schmittle, S. C., & Millen, T. W.) [Abs.] 53
Emphysema, acute pulmonary, in cattle (Schofield, F. W.) [Abs.] 164
Encephalitis, canine, Observations on, Herbert Parry ... 21
Capt. R. I. C. Hyam 78
——, Demyelinating, in the dog, associated with anti-rabies vaccination (Jervis, G. A., Burkhart, R. L., & Koprowski, H.) [Abs.] 602
Encephalopathies, canine, The relation of distemper infection to the aetiology of, J. R. M. Innes 73

PAGE
Enteritis of a white rhinoceros associated with *Pseudomonas pyocyanea* infection, J. K. Thomson, F. W. Priestley and J. B. Polding 341
Enterotoxaemia, ovine, Control of by the use of *Clostridium perfringens* Type D bacterin (Baldwin, E. M., Frederick, L. O., & Ray, J. D.) [Abs.] 205
Epileptic states in the dog, with special reference to canine hysteria, Herbert B. Parry 23
Equine sarcoid, a cutaneous neoplasm (Olson, C.) [Abs.] 179
Equestrian Fund, Olympic Games and International ... 34
Equestrianism: Preparation for next Olympic Games ... 12
Erysipelothrix infection in sheep, Cutaneous (Whitten, L. K., *et al.*) [Abs.] 205
—— rhusiopathiae infection of turkeys, J. D. Blaxland, G. F. Kershaw and Deborah Howell 350
Erysipelothrix rhusiopathiae infection in sheep: Two outbreaks of post-dipping lameness, H. E. Harbour and G. F. Kershaw 37
Ethical plea An, R. Glave Saunders 60
Euthanasia, Canine, L. R. Geffen 60
Eventratio diaphragmatica pericardialis, A case of in a dog, resulting from a congenital defect of the diaphragm, E. Larsen and H. E. Ottosen 524
EXAMINATIONS, DEGREES, ETC.:
R.C.V.S. Diploma in Veterinary State Medicine ... 354
R.C.V.S. Membership (* = Animal Management; † = Veterinary Pharmacology, Materia Medica and Pharmacy), 272*, 301*, 313*†, 427, 444, 767*, 788*†, 858, 870, 885
University of Edinburgh B.Sc. in Veterinary Science 448, 748, 873
—— of London: Examinations in Veterinary Science 34, 537, 545, 838
Experiments on animals 507
"Falling Disease," The pathogenesis of (Bennetts, *et al.*) [Abs.] 458
"Faked pedigrees," To stop: Criticism of S.H.S. foal registration scheme 55
Farmer, The veterinarian and the, R. H. K. Davis 181
Fees for lectures given by members of the veterinary profession at agricultural colleges and farm institutes ... 42
——, veterinary, U.S.A. survey of 476
Fertilisers, Efficient use of 783
Film, The, as an aid to the practical application of science 367
Films of veterinary interest, G. P. W. 732
—— for research 669
Flour, bleached, Toxic factor in 604
Foal, Passive immunity in the newborn (Bruner, D. W., Edwards, P. R., & Doll, E. R.) [Abs.] 884
Foals, new-born, Diseases of: I.—Haemolytic disease due to iso-immunisation of pregnancy, H. B. Parry, F. T. Day and R. C. Crowhurst 435
Fog fever, V. J. S. Leslie 228
Food hygiene, Model by-laws for improving 759
Foods, Fluorine in 693
Foreign body in a mare, C. W. Cartwright 743
Foot-and-mouth disease A sequel to—Panting in cattle: I.—Experimental observations and pathology (Minett, F. C.); II.—Biochemical observations (Mullick, D. N.) [Abs.] 230
—— —— ——: French carcase importations and the risk of 251
H. C. Swann 253
—— —— —— in Mexico, Report on 601
—— —— ——: Inauguration of new French Institute ... 313
—— —— —— virus, Survival of in meat and offal (Henderson, W. M., & Brooksby, J. B.) [Abs.] 831
Foot rot in cattle: A small controlled experiment (Roberts, S. J., Kiesel, G. K., & Lewis, N. F.) [Abs.] 388
Foul in the foot in cattle, R. D. Franklin 611
—— —— —— of very young calves, Cases of, J. M. Wilson 12
Fowl cholera in chickens and turkeys, Sulphathiazole as an aid to the control of (DeVolt, H. M.) [Abs.] 67
—— —— in turkeys, Effect of streptomycin on *Pasteurella multocida in vitro* and on (McNeil, Ethel, & Hinshaw, W. R.) [Abs.] 67
—— pest (*see* also under "Newcastle Disease") 605
—— —— in Northern Ireland 803
—— —— Order, New 70
—— —— in Orkney 585
—— —— in South Scotland 734
—— ——: Re-imposition of restrictions on the movement and marketing of live poultry 489

PAGE

Fowl pest: "Unnecessary loss from" 640
Fracture repair by bone pinning, J. O. Knowles 648
J. S. J. Lauder ... 866
Fractured legs in horses, Hamilton Kirk 244
E. G. Conisbee 302
Fractures, Femoral and humeral, Method of repair of (Bernard, B. W.) [Abs.] 115
—— of humerus and femur repaired by intra-medullary pins, N. R. Turnbull 476
——, Treatment of [Edit.] 799
French Veterinary Congress, Alfort, D. D. Ogilvie ... 409
Gardner, Mr. Walter, Death of 461
[Obit.] 506
Gastro-enteritis, infantile, An outbreak of in Aberdeen (Giles, C., & Sangster, G.) [Abs.] 53
Gelatin solution, purified, in canine practice (Konde, W. N.) [Abs.] 115
Gilmore, Mr. Hugh D., J.P., M.R.C.V.S., Death of 154
An appreciation, H. W. S. B. 253
Northern Ireland tribute to 272
Glover, R. E.: Appointment to chair of Veterinary Pathology in the University of Liverpool 195
Goats, Enterotoxaemia in, P. L. Shanks 262
W. B. Quarmby 316
——, Some conditions of veterinary interest in, Geo. N. Gould 261
"Good veterinarians," Sir Thomas Browne and Howel V. Hughes 550
—— —— contrasted with "common farriers," J. T. Edwards 564
Graduates, young, Conditions of employment of (*see* under "Conditions of employment of young graduates")
Grass, Oestrogens in and their possible effects on milk secretion (Bartlett, S., *et al.*) [Abs.] 443
——, young, Effect of in the diet on the onset of sexual maturity in mice (Evans, I. A., & Evans, W. C.) [Abs.] 443
Grassland research station, New 171
Hacks, cobs and ponies measurement scheme, Joint ... 8
Hames, Mr. Samuel Laxton: Doyen of the Profession—Death of 547
[Obit.] 548
